

# Small Project Workshop, (Saturday) 19 August

## LOCATION:

Jeffersonton Community Center

Small Project Bag, by Nancy Evans

Quilted Notebook Cover, by Emily Mickelwait

Piece-Keeper Project Bag, by Cyndi Messick  
(Download FREE pattern at [ByAnnie.com](http://ByAnnie.com))

Pin Cushion Wristlet, by Dianna Blackmer

## What to Bring?

LUNCH and SNACKS!

Machine, Cutting/Trimming tools,  
Fabric, Notions, paper for notetaking

## AGENDA (19 August):

- |             |   |
|-------------|---|
| 0900 – 0930 | Arrival, Setup  |
| 0930 – 1030 | Material Prep (cutting and ironing stations will be available to share) |
| 1030 – 1200 | First Project construction (Nancy)                                      |
| 1200 – 1300 | Second Project Construction (Dianna)                                    |
| 1300 – 1430 | Third Project Construction (Emily)                                      |
| 1430 – 1600 | Final Project Construction (Cyndi)                                      |

(Some projects may take a little less time than what is allotted. We will roll into the next project when the majority have completed the steps, or at the time indicated, whichever comes first. If the full instruction of the project is unable to finish in the time allotted, or if you haven't quite completed the project, steps and instructions will be provided after the class so you can finish at home.)

# Small Project Workshop, (Saturday) 19 August

LOCATION: Jeffersonton Community Center, 1030 - 1200

You will also need sewing machine with zipper foot attachment for this bag class.

Other helpful sewing items are:

- Extra machine needles 80/12 or 90/14 will work fine
- Cotton thread in neutral color of your choice
- Rotary Cutter and Medium sized mat
- Small scissors at your sewing machine
- 6 X 18 ruler for trimming up bag
- Wonder Clips and sewing pins
- Pressing mat and iron
- Point Turner (helps get corners of bag pushed out)

*Clover has a White plastic point 2 point turner that Nancy will be bringing to class*

Here are the supplies listed for one Project Bag with **a finished size of 11" x 13"**:

1 yard of quilting weight cotton fabric (this 1 yard would be enough to do the exterior of the bag and the lining pieces) OR you could use 1/2 yard of one fabric for exterior pieces and 1/2 yard of a coordinating fabric for lining pieces of your bag such as in my pictured bag.

1 - 14 inch polyester all purpose zipper (no metal zippers for this project)

1/2 yard of Pellon 987F fusible fleece interfacing

Before class cutting list:

1 Exterior Bag Front Top cut 2 1/2" x 14"  
1 Exterior Bag Front Bottom cut 10" x 14"  
1 Exterior Bag Back cut 12" x 14"

1 Lining Bag Front Top cut 2 1/2" x 14"  
1 Lining Bag Front Bottom cut 10" x 14"  
1 Lining Bag Back cut 12" x 14"

1 Fusible Fleece Interfacing Bag Front Top cut 1 1/2" x 13"  
1 Fusible Fleece Interfacing Bag Front Bottom cut 9" x 13"  
1 Fusible Fleece Interfacing Bag Back cut. 11" x 13"

Please wait to see how to fuse the interfacing during class. I will explain why we are cutting those pieces smaller in class.

Construction of the bag follows YouTube crafter ElizabethAnnCanStitch:

<https://www.youtube.com/watch?v=qzcbp9JByXU>

# Small Project Workshop, (Saturday) 19 August

LOCATION: Jeffersonton Community Center, 1200 - 1300

Pin Cushion Wristlet, by Dianna Blackmer

Supplies Needed for Pincushion, 2.5" x 8.5" :

Fabric:

- Fabric for strap: 4" x 10.5"
- Velcro: 3/4" or 1" wide - 2"
- Pellon 906: small piece - mine was 7/8" x 9", but it's not absolutely necessary

- Cardboard for backing
- Thread
- Scissors
- Hand sewing needle
- Sewing machine
- Small amount of Polyfil (which Vicki will be happy to provide) or quilt batting/fabric scraps to fill pincushion

# Small Project Workshop, (Saturday) 19 August

LOCATION: Jeffersonton Community Center, 1300 - 1430

Quilted Notebook Cover, by Emily Mickelwait

Here are the supplies listed for the Quilted Composition Book Cover which fits a standard size composition notebook of 9.75" x 7.5":

16.75" x 11" Fusible Fleece

16.75" x 11" Fabric for the outside cover  
The Outside cover can be a single fabric, or can incorporate applique or piecing.

*\* When designing the cover, keep in mind that the midpoint of the cover, where it will fold in half, will be at about 8 3/8"*

7.5" x 11" Lining pieces (you'll **need two** of this size)

5" x 11" Lining Piece (you'll only need one of this size)

60" 2.5" strips for Binding, Pressed in half

\*\*\* Before our workshop day (19 August), please download the free pattern for this project. You can find it at: RobinPickensINC.com

Full URL is:

[https://robinpickensinc.com/products/composition-notebook-cover-by-susan-strumpf\\_pdf-digital?pos=1&sid=be775f77d&ss=r](https://robinpickensinc.com/products/composition-notebook-cover-by-susan-strumpf_pdf-digital?pos=1&sid=be775f77d&ss=r)

Bring a pre-appliqued or pieced section for the Outside Cover!

Project Instruction is for the construction of the cover only.

LOCATION: Jeffersonton Community Center, 1430 - 1600

Piece-Keeper Project Bag, by Cyndi Messick  
(Download FREE pattern at ByAnnie.com)

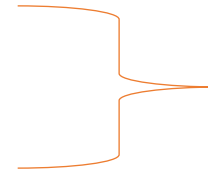

\*\*\* Before our workshop day (19 August), please download the free pattern for this project. You can find it at:

[Byannie.com/piecekeeper](http://Byannie.com/piecekeeper)

YOU WILL NEED the following for the 11" x 16" finished bag:

- Fabric — three fat quarters in coordinating prints/colors
- ByAnnie's Soft and Stable®\* — 13" x 18" (See #1 ->)
- Fusible interfacing\* — ¼ yard (See #2 ->)
- ByAnnie's Lightweight Mesh fabric\* — 8½" x 17" (See #3 ->)
- Zipper\* — 24" single-slide handbag zipper (See #4 ->)
- Thread to match fabric

If you'd like to **precut your fabric**, you'll need to cut as follows:

From main fabric cut:

- Back Main (to be quilted) — 13" x 18"
- Front Border — 3" x 17"

From lining fabric cut:

- Back Lining (to be quilted) — 13"; x 18"
- Border Lining — 3" x 17"

From coordinating fabric cut:

- Bias Binding — 13½" x 13½"
- Handle — 4"; x 12"

From ByAnnie's Soft and Stable® cut:

- Back Stabilizer — 13" x 18"

From fusible interfacing cut:

- Border Interfacing — 3" x 17"
- Handle Interfacing — 4" x 12"

From mesh fabric cut:

- Mesh Front — 8½" x 17"

If you like, you can also prepare your binding ahead, as in Step II of pattern.

\*\*Please note, *it is not necessary to use the "ByAnnie" branded supplies.*

1. Soft and Stable is a foam stabilizer, similar to Pellon FlexFoam or Bosal In-R-Foam. (In this pattern they're not using the fusible foam, but you certainly can get that to make quilting the panel easier.)
2. The fusible interfacing can be a woven fusible such as Pellon SF101 or a non-woven such as any number Pellon light or medium weight fusibles.
3. The mesh fabric is similar to the Mesh Utility Fabric or Cargo Mesh at JoAnn's.
4. A handbag zipper is typically a #4 zipper, but you can substitute a #5 Sport zipper if you like the colors better. I also have some basic colors of cut-to-size zipper tape that I can bring with me.
