Tips & Techniques for May

1 pack of 10-inch squares = 40 blocks

1 pack of 5-inch squares = 40 blocks

or

1 pack of 5-inch squares & 1 pack of 2½ inch squares = 40 blocks

Step 1) Lay a 5-inch square centered on a 10-inch square.

Step 2) fold side of the 10-inch square to the center ... sew and press open.

Step 3) fold top and bottom to the center...sew and press open.

Step 4) repeat process for remaining squares.

Step) 5 sew all blocks together, quilt and bind.

I use 10-inch layer cakes, 5-inch charms, and mini charms.
