## AGENDA (4 May):

- |             |  |
|-------------|--|
| 0915 – 0930 | Arrival, Setup   |
| 0930 – 1030 | Material Prep (cutting and ironing<br>stations will be available to share) |
| 1030 – 1115 | First Project construction (Dianna)  |
| 1130 – 1215 | Second Project Construction (Susan)  |
| 1230 – 1400 | Third Project Construction (Barb)  |

(Some projects may take a little less time than what is allotted. We will roll into the next project when the majority have completed the steps, or at the time indicated, whichever comes first. If the full instruction of the project is unable to finish in the time allotted, or if you haven't quite completed the project, steps and instructions will be provided after the class so you can finish at home.)
