### TIPS & TECHNIQUES:

- Based on our Activities surveys, I have tapped some of you to present at the monthly meetings. THANK YOU for your participation.
- For newcomers, if there is something you'd like to present, please chat with me at a meeting or send me an email and we will add you to the calendar
- Likewise, members, if you think of other things you'd like to see during T&T or at a Project Day Workshop, please let me know any time
- I will also be keeping a watchful eye on the things you present at the meetings and may reach out to you about teaching us or presenting at a T&T.

### CHARITY PROJECTS & QAL:

Both are planned for the new year, and we will talk about them at the November meeting, if not before.

\*\* Thanks to Beverly for updating the Guild Calendar with our events, to include a little more detail about each.

\*\* Please be on the lookout for emails asking you to indicate your interest in coming to SEW-INS, Workshops, Classes. We are working to bring electronic RSVP to our events, which will give you the ability to update your attendance responses in real-time, should your schedules change. For events that require payment ahead of time, we are planning to include a column of data there for Sherry to mark when attendees have paid. HUGE Thank you to Jenifer for helping roll this out. [Note, Board members will be able to edit the information, so if you can't access the links or sign up via the Sign-Up sheets here at meetings, we can update that information for you.]
